August 25th, 2025

Welcome Meeting „Applied Neurosciences in Sports & Exercise“ (ANSE)

Dear first semester ANSE students,

we are looking forward to welcoming you to the ANSE program at Paderborn University. To introduce ourselves, the program content and organization, we would like to invite you to a first official meeting during the orientation week, which will take place on

October 7th 2025 start 10am in SP2.0.201 (seminar room in SP2)

In the attached figure you can find the campus map with the building marked for our first meeting.

We also offer a first and little more focused session together with the beginning of the lecturing period on **Monday, October 13th from 9-10 am (room tbd)**.

Lectures start on October 13th 2025 and end on February 6th 2026 with a 2-week Christmas break in between. More informations and details during the Welcome Meeting.

Best regards,
Dr. Kirsten Reinecke
Study Program Coordinator
