

Module Coordinators
"Applied Neurosciences in Sports & Exercise" (M.Sc.)
(valid from winter term 2022/2023)

Module	Module Coordinator
M1 Essentials of Sports Neurology	Prof. Dr. Dr. Reinsberger (reinsberger@sportmed.uni-paderborn.de)
M2 Essentials of Exercise Neuroscience	Prof. Dr. Baumeister (jochen.baumeister@uni-paderborn.de)
M3 Methods I - Research Skills	Dr. Reinecke (reinecke@sportmed.uni-paderborn.de)
M4 Methods II - Statistical Skills	Dr. Reinecke (reinecke@sportmed.uni-paderborn.de)
M5 Methods III – Measurement Skills	Jessica Coenen (coenen@sportmed.uni-paderborn.de)
M6 Applied Sports Neurology	Prof. Dr. Dr. Reinsberger (reinsberger@sportmed.uni-paderborn.de) Mrs. Van den Bongard (bongard@sportmed.uni-paderborn.de)
M7 Applied Exercise Neuroscience	Dr. Lehmann (tim.lehmann@uni-paderborn.de)
M8 Study Project "Sports Medicine"	Lecturers Sports Medicine
M9 Study Project "Exercise Neuroscience"	Lecturers Exercise Science and Neuroscience
M10 Internship	Dr. Reinecke (reinecke@sportmed.uni-paderborn.de)
M11 Fundamentals of Data Processing in Applied Neuroscience	Dr. Lehmann (tim.lehmann@uni-paderborn.de)
M12 General Studies	Dr. Reinecke (reinecke@sportmed.uni-paderborn.de)
M13 Intercultural Communication	Prof. Dr. Radtke (sabine.radtke@upb.de)
M14 Master Thesis	Involved research units

In case of questions regarding a module please contact the module coordinator.

In case of questions regarding a specific course please contact the corresponding lecturer(s).

You can find further information (rooms, office hours) about all staff members on the website of the corresponding working units.
